

# My Colouring Book

Dads Work  
Tools

I hope you enjoyed colouring in these pictures

Please show your family and friends what you have done  
and tell them to be safe at work.

I look forward to working with you again

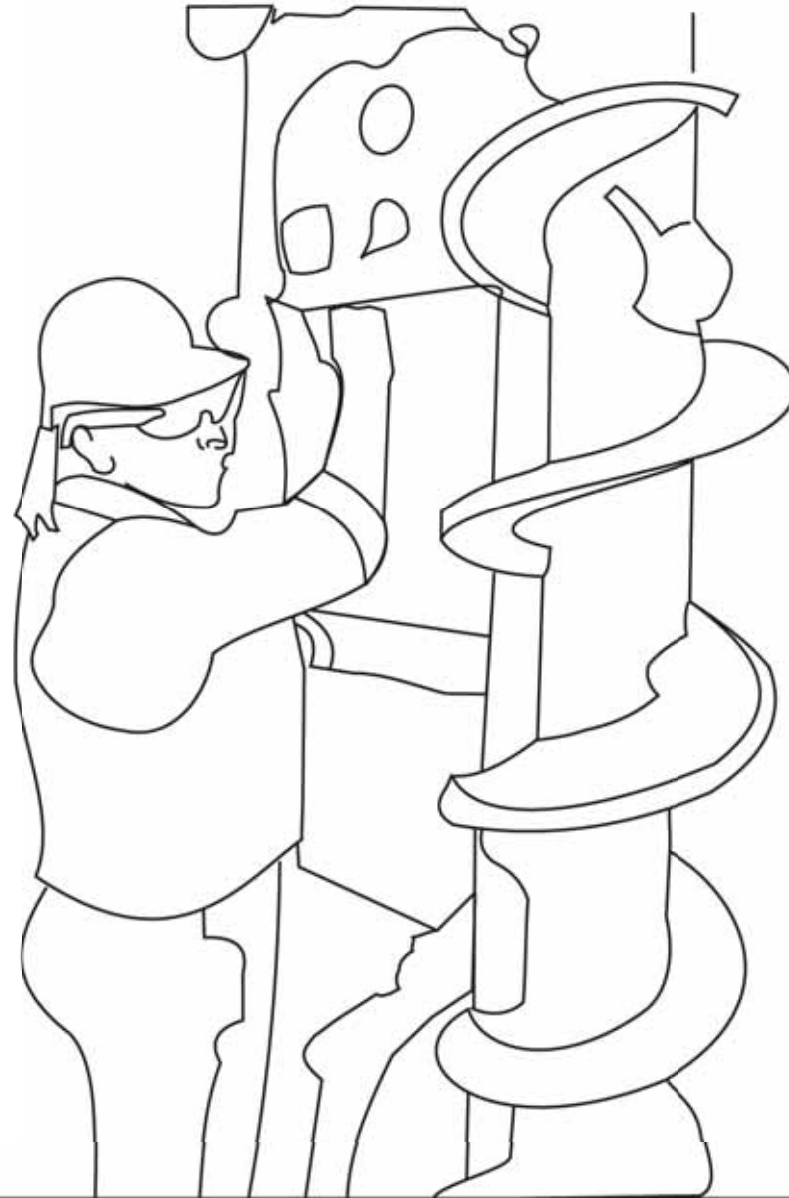

Your friend

Dereck

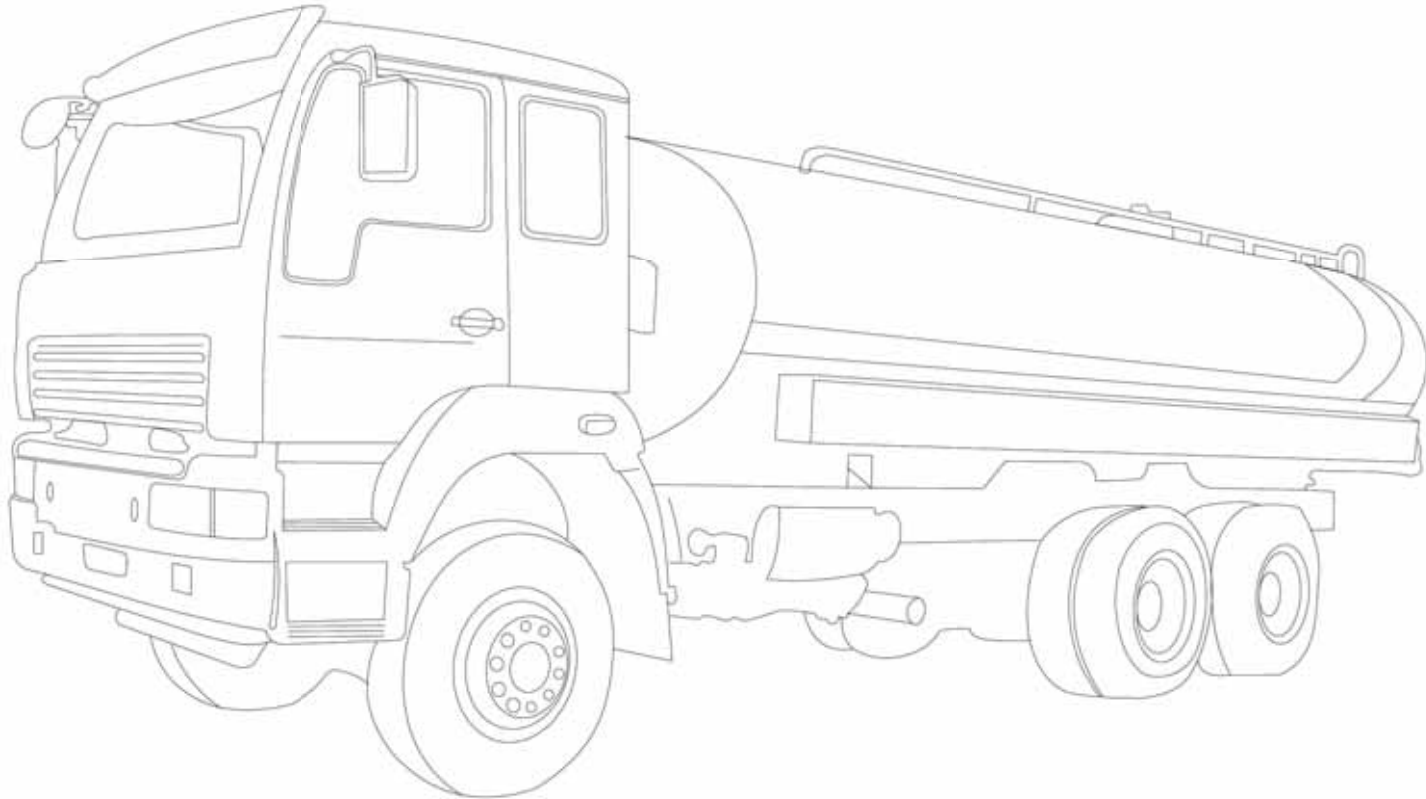

This is to give you a idea of the colors to use

My dad the driller

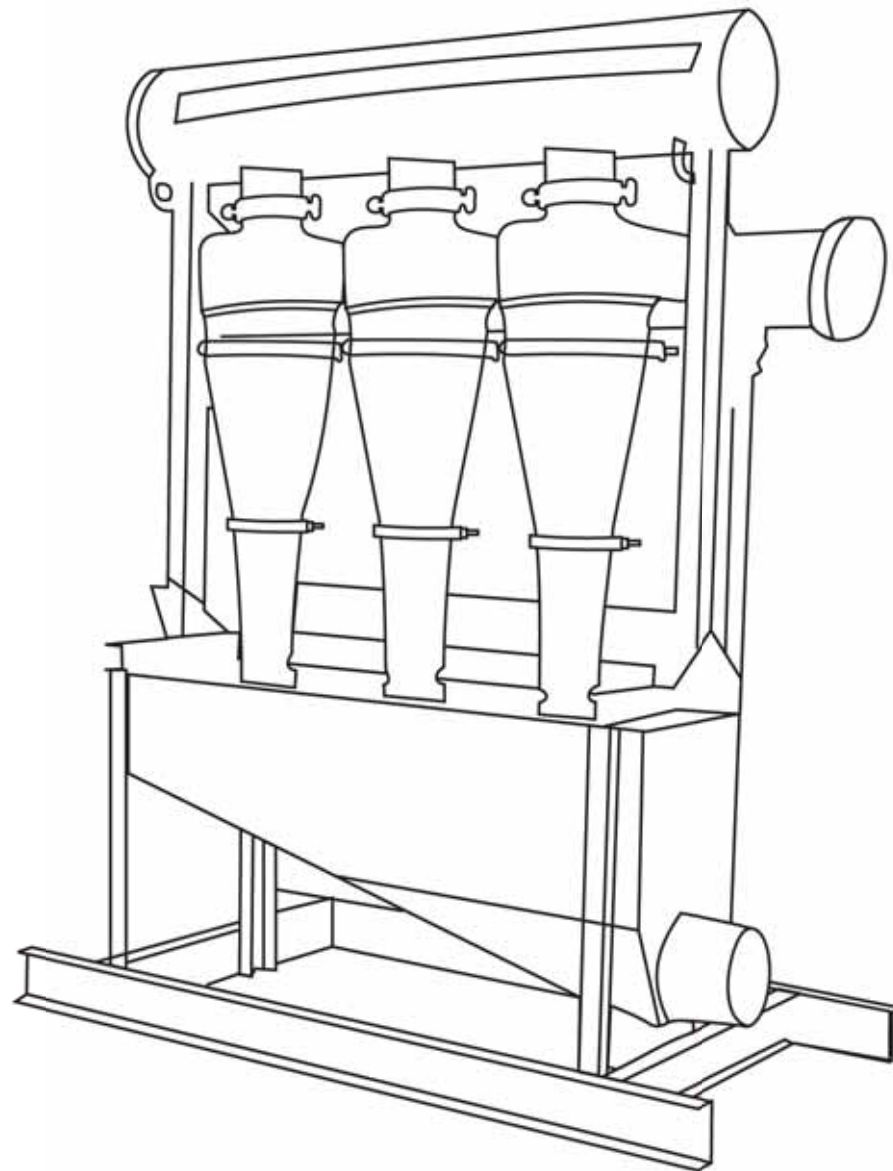

# Water Tanker

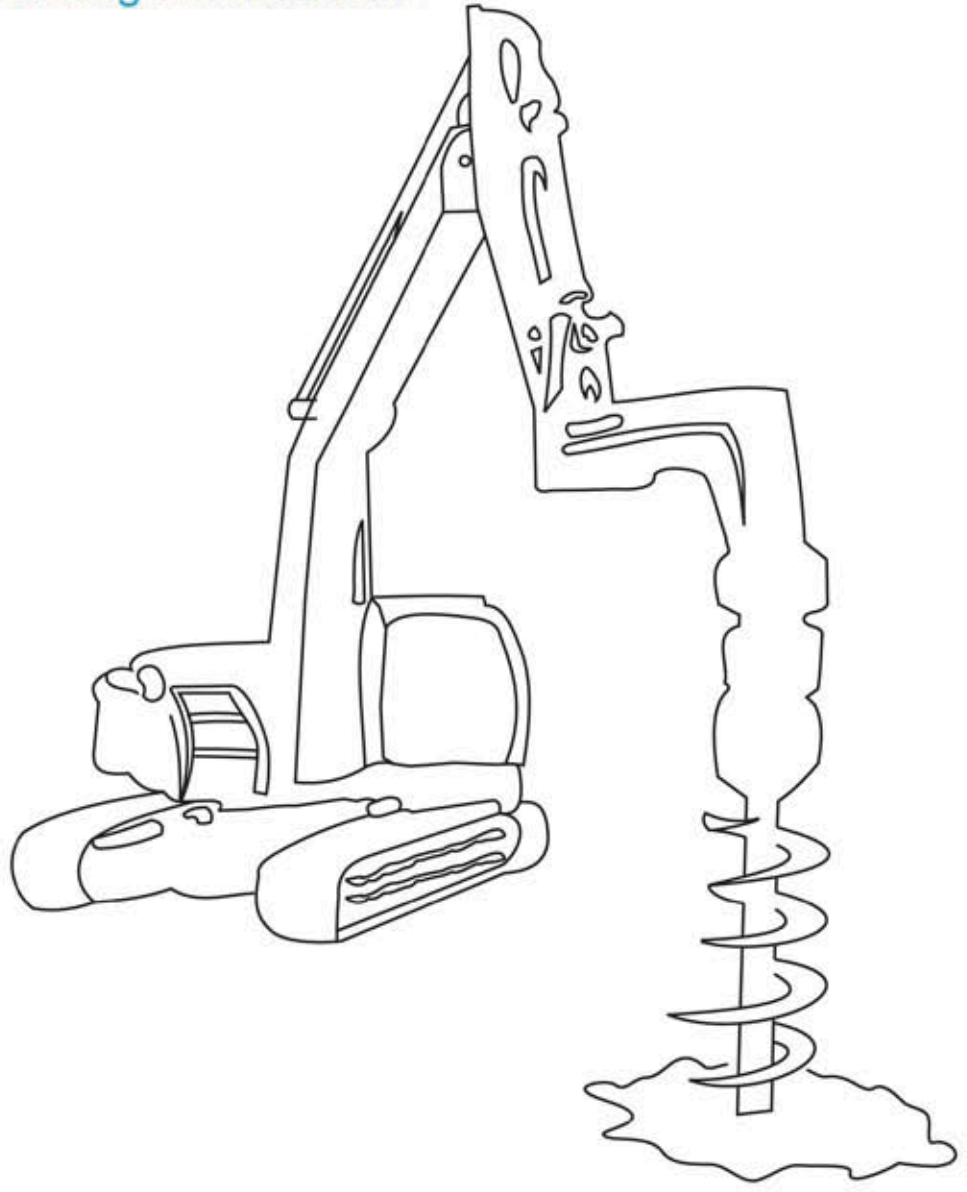

A bit different like an excavator, but a hand-drawn forward boring and for earth

... ..

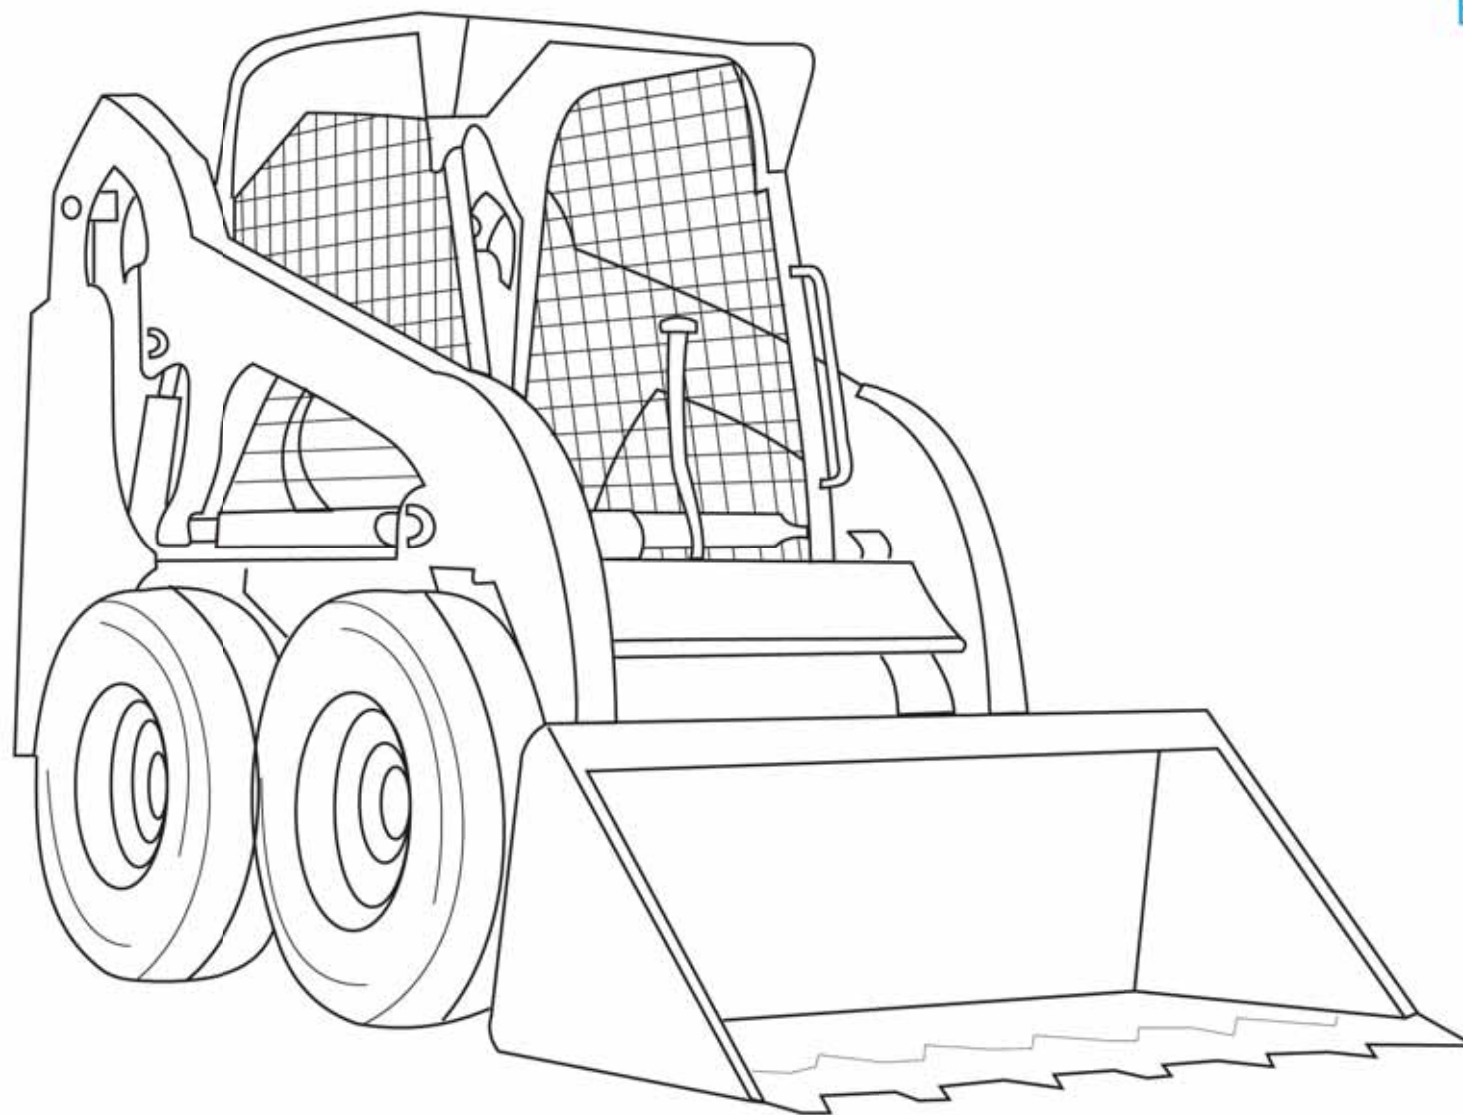

Excavator with Auger, drilling a foundation

Bob cat

Products that drillers use

Draw similar as above

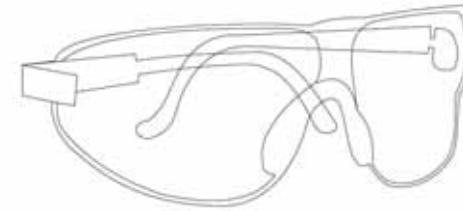

Safety gloves

Safety Vest

Safety Glasses

Hard Hat

Spill Station

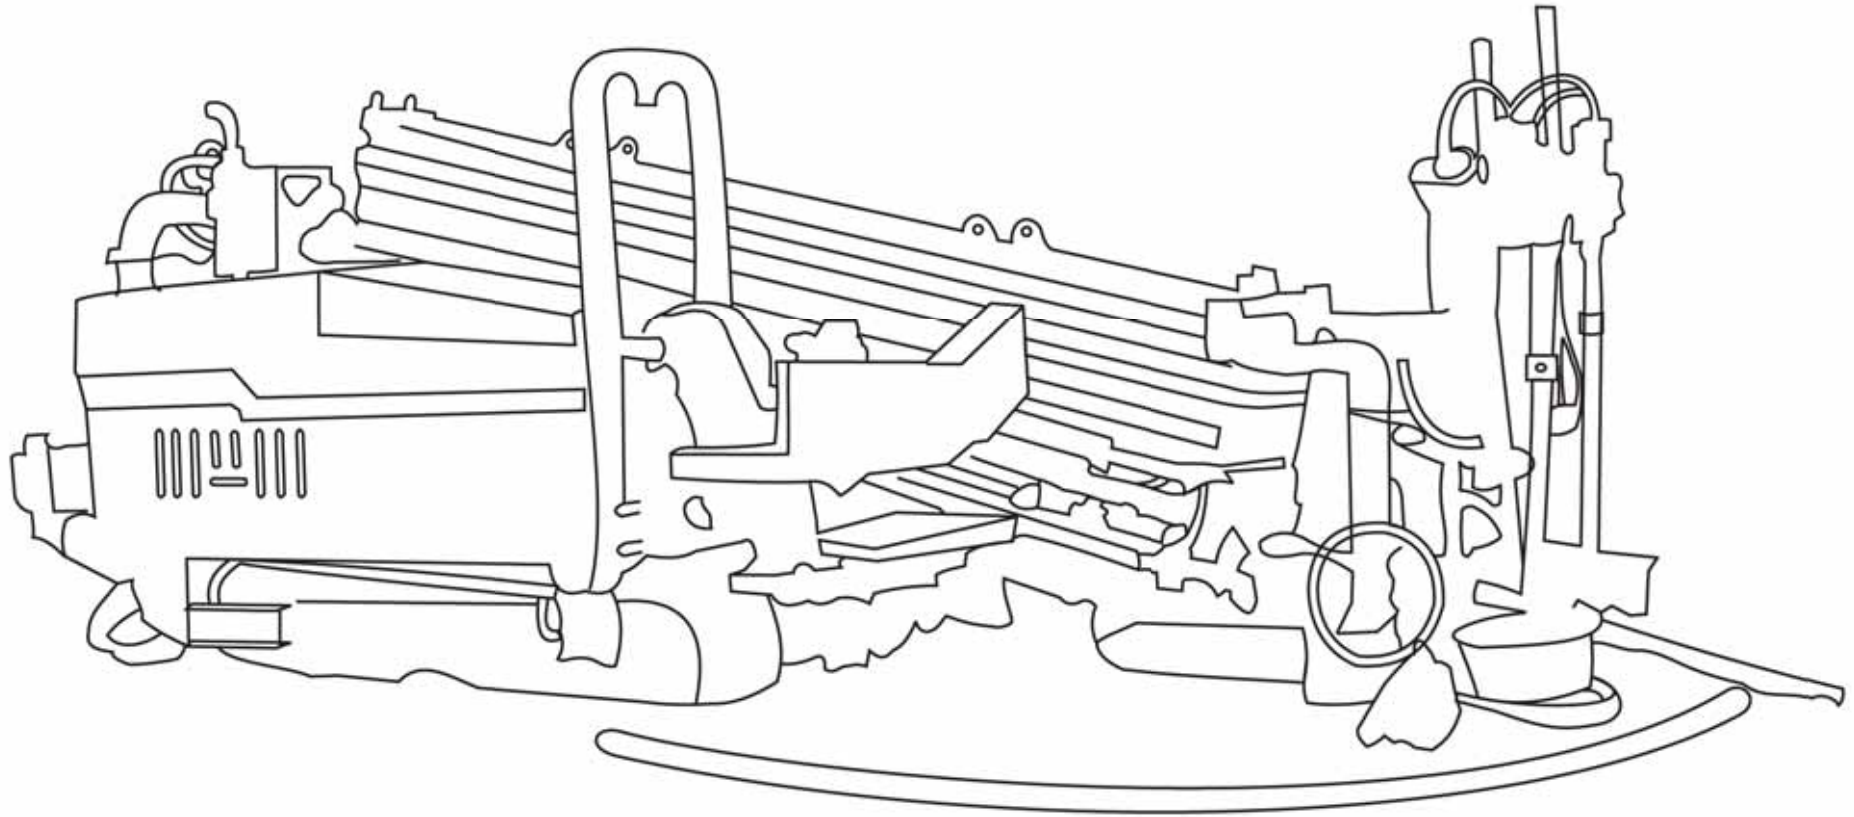

Make sure you tell your  
parents to work safe

Every day

Safety gloves - to protect your hands. Safety Vest - be seen be alive. Safety Glasses - Protect your eyes from the sun and object .  
Hard Hat - Protect your greatest asset, your head Spill Station - for environmental spills.

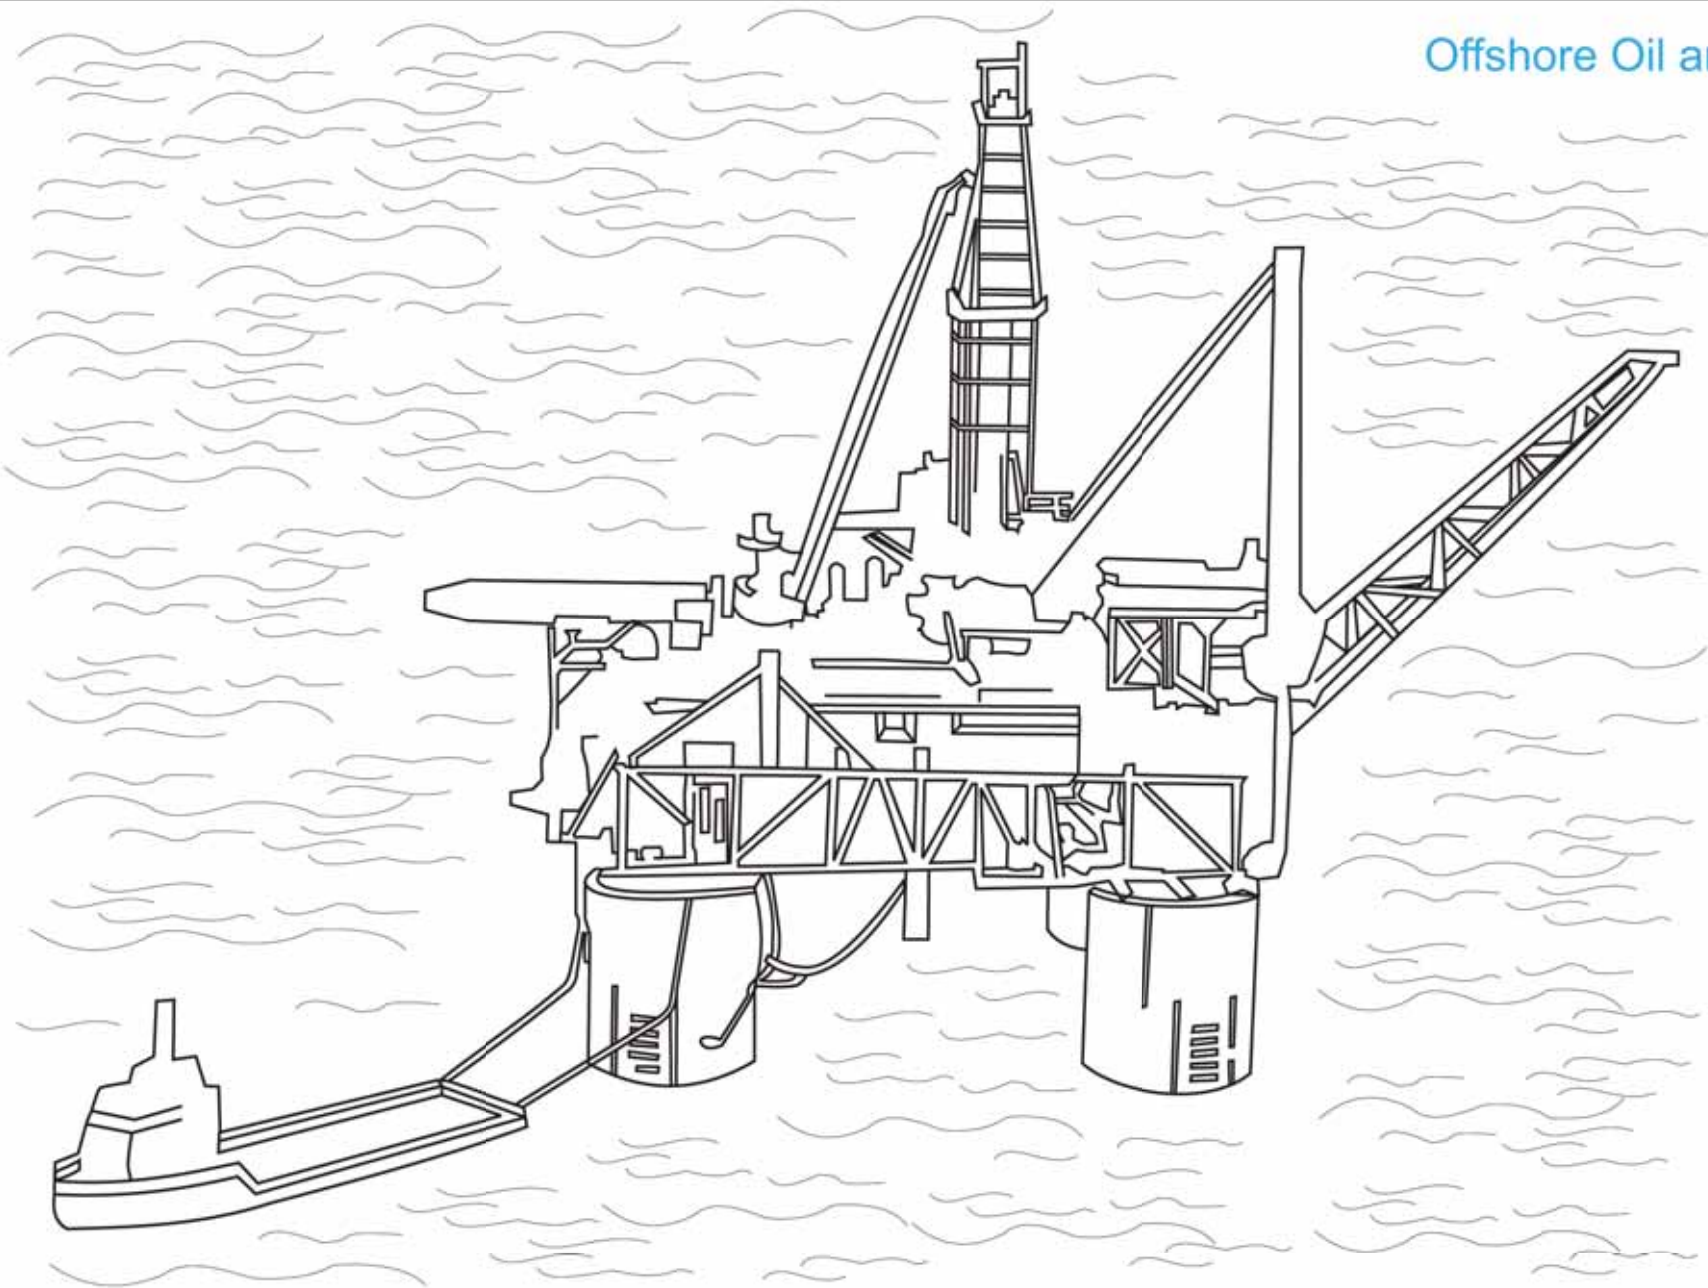

## Horizontal drilling rig

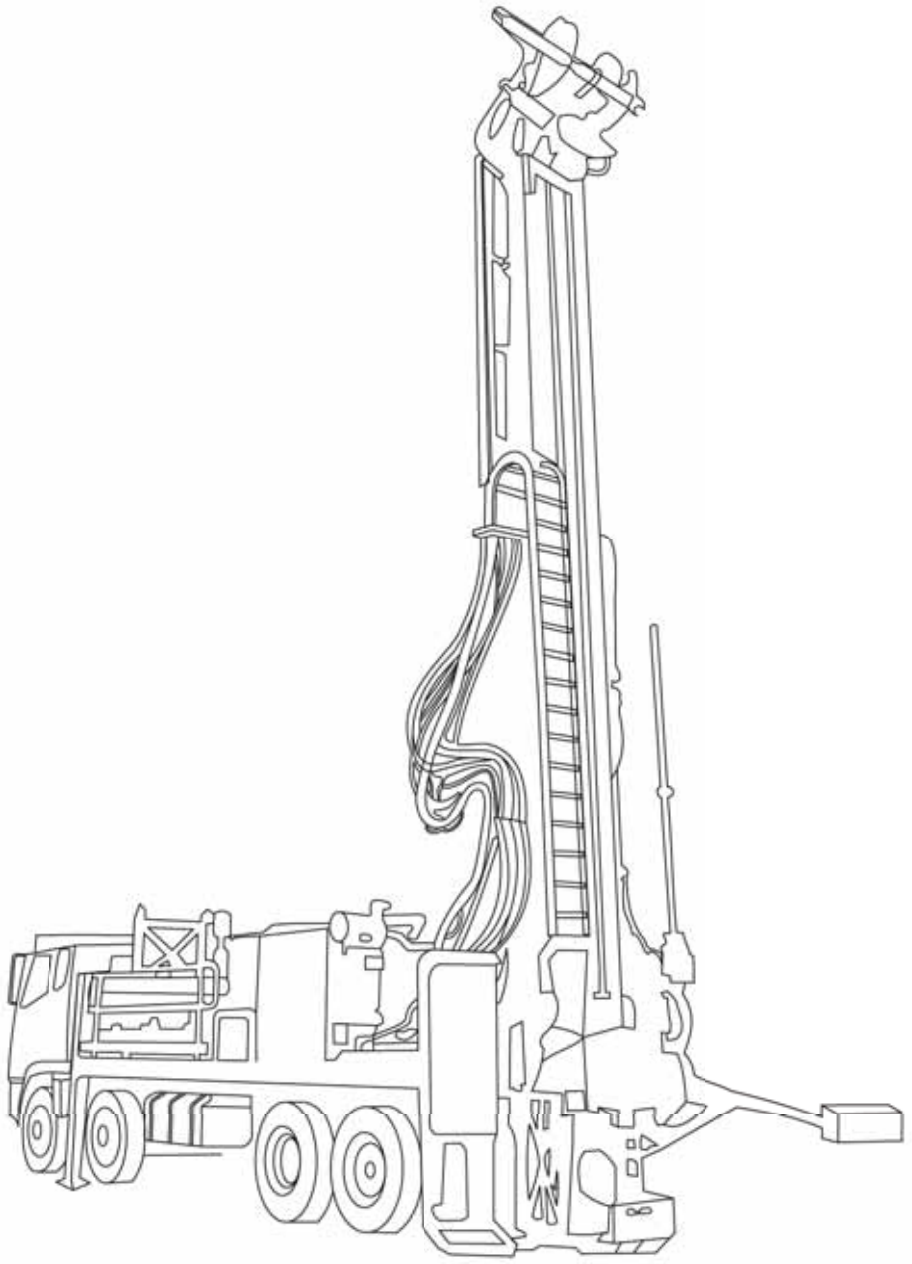

A bit shape like an auger bit, without a handle, used for wood, brick and for earth  
carbide-tipped drill bits used in an auger drilling on a metal bar or in an auger-drill nozzle

auger bit  
carbide-tipped drill bit

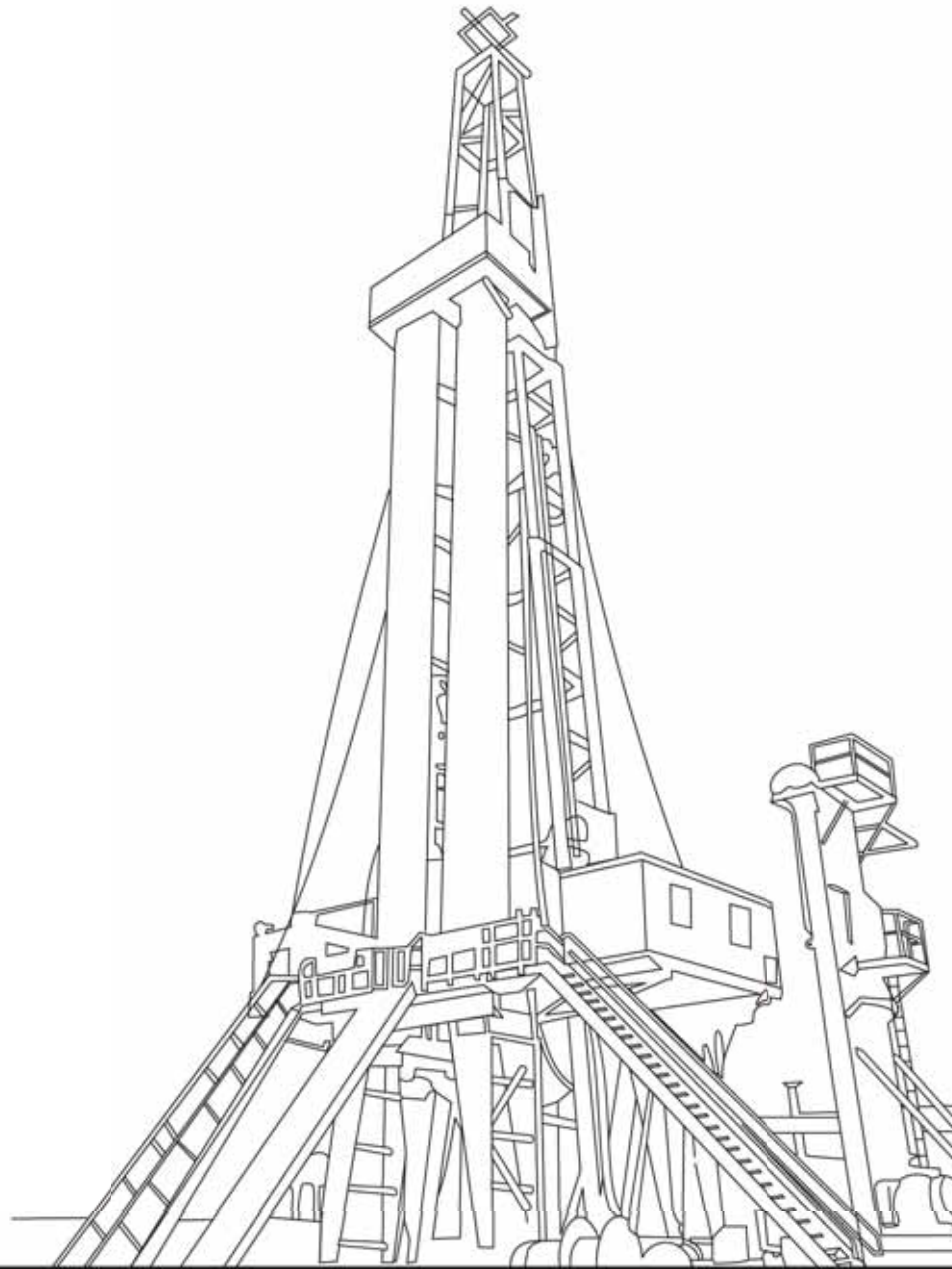

# Offshore Oil and Gas Rig

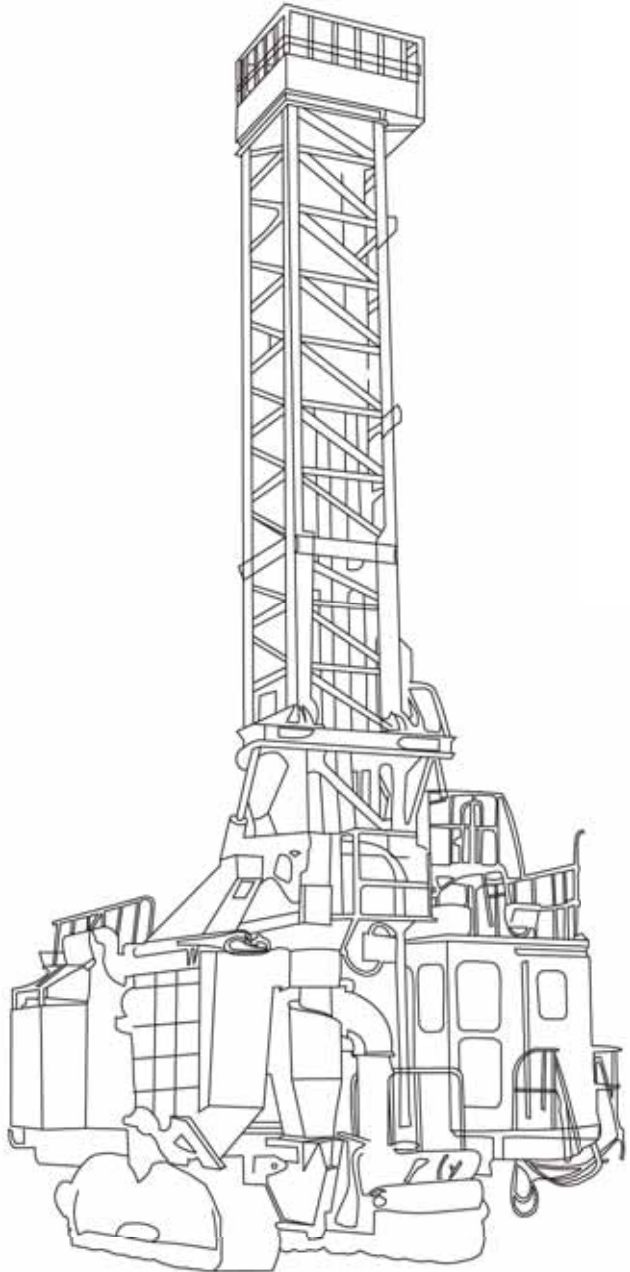

Road Based drilling rig

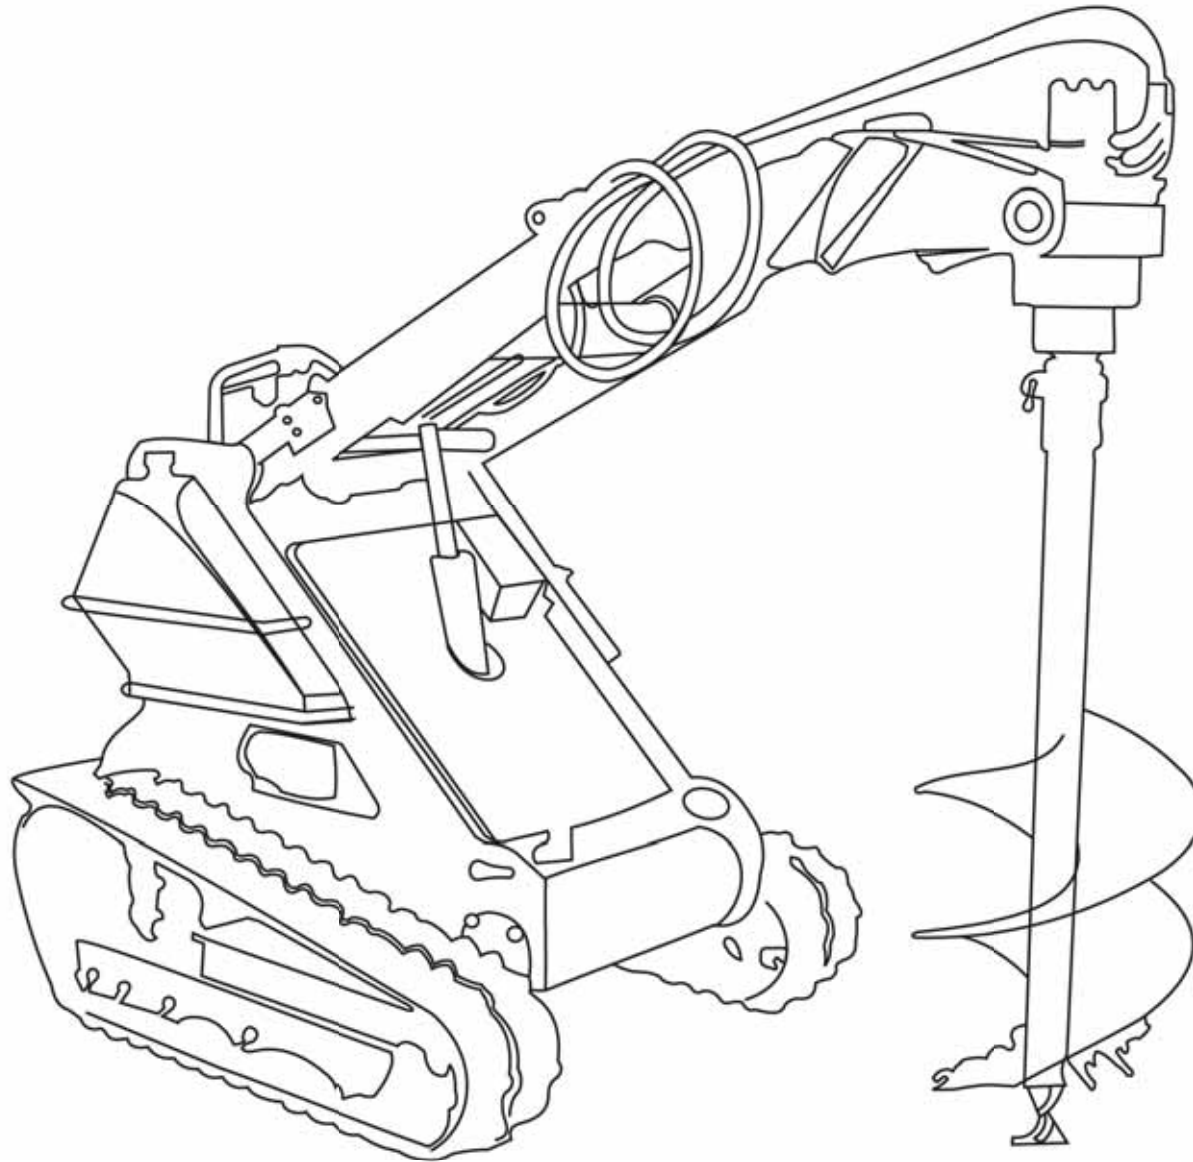

Oil and Gas drilling rig

A rotary Blasthole Drill Rig

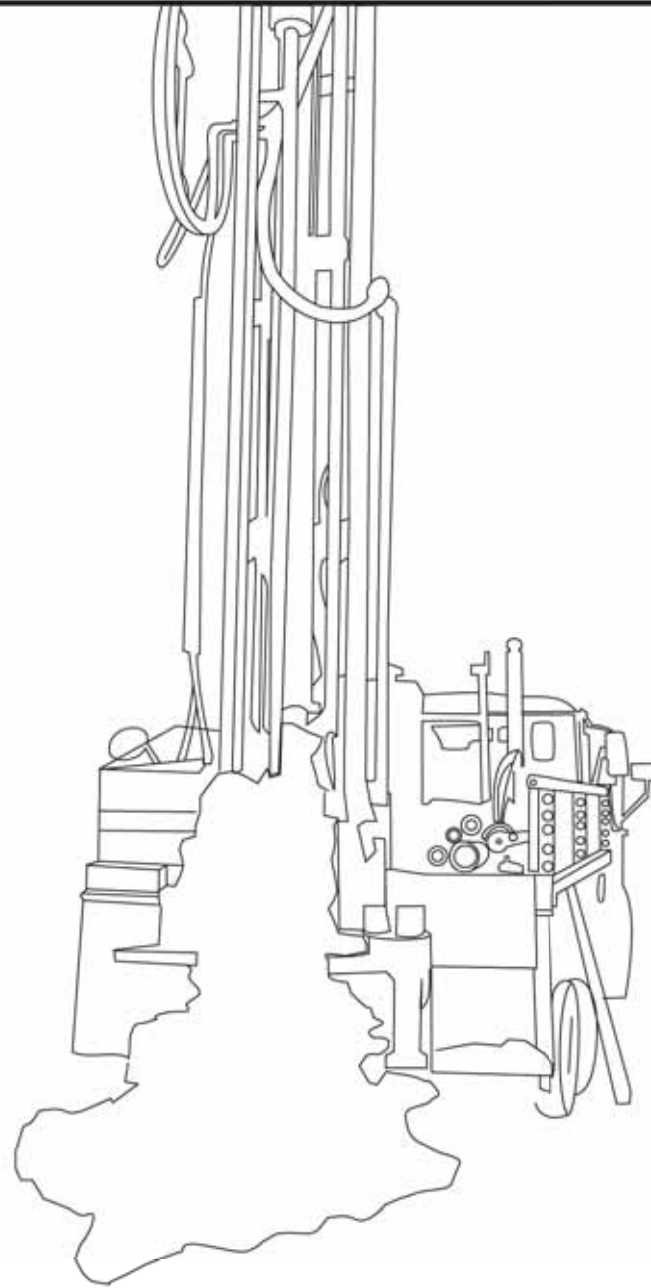

# Auger

Most augers are powered by the backhoe's main hydraulic pump. The auger's rotation is controlled by a hydraulic valve. Most augers are designed to be used in an auger running on a torque bar or in an auger running on a track.

Water drilling rig
